

HDTV adapter, 11-pin MHL for Samsung devices

A-MHL-003

ET MORE FROM YOUR MOBILE

- MHL is an HD video and audio interface for connecting mobile phones and other portable devices to HDTV's and home entertainment systems. This MHL-adapter easily allows you to connect HDMI equipment to your phone's USB-port and thus enables you to fully enjoy your phone's video and audio content. When you add a BT mouse and keyboard you can turn your ordinary TV into an internet enabled media miracle in just seconds!
- Easily connect your phone to a TV or home theater system
- Use your phone or tablet as a media center
- Keeps your phone charged and ready

Features

- Micro-USB to HDMI adapter cable (MHL)
- Turns your phone's USB-port into a standard HDMI port
- Works with all 11-pin MHL enabled mobile phones and tablets
- Use the TV's remote to control and access content on your phone
- Supports content with High-bandwidth Digital Content Protection (HDCP)
- Keeps your phone charged while connected
