MHL HDMI cable for Apple devices, 1.8 m

CC-LMHL-01

GET MORE FROM YOUR MOBILE

- MHL is an HD video and audio interface for connecting mobile phones and other portable devices to HDTV's and home entertainment systems. This MHL-adapter easily turns your phone's USB-port into an HDMI connector and enables you to fully enjoy your phone's video and audio content. When you add a BT mouse and keyboard you can turn your ordinary TV into an internet enabled media miracle in just seconds!
- Easily connect your phone to a TV or home theater system
- Use your IPhone as a media center
- Keeps your phone charged and ready

Features

- 8-pin to HDMI adapter cable
- Turns your iPhone charging/data port into a standard HDMI port
- Use the TV's remote to control and access content on your phone
- Supports content with High-bandwidth Digital Content Protection (HDCP)
- Keeps your phone charged while connected
